

# NTU's Sustainable Earth Peak Retreat 21<sup>th</sup> Oct 2016

Function Hall 1, Nanyang Executive Centre (NTU Campus)  
10am to 5pm

## SUSTAINABLE METROPOLIS: HIGHLIGHTS, NEST STEPS, NEW OPPORTUNITIES

Motivated by:

- 1) the question of how a great university like NTU can address the global grand challenges of tomorrow while remaining academically excellent
- 2) the goal of Singapore to become a smart nation (Sustainable Metropolis)
- 3) and renewed focus of NTU for sustainability in the period 2016 to 2020

We will discuss and develop together the way forward, highlights, projects and exciting new opportunities.
